

Term 3 Support

We hope that all the pupils and parents and the “community of St Francis’ PS Aghaderg” are all keeping well. In these unprecedented times it is important that everyone keeps safe, both physically and mentally. It is understandable that some children may only get one or two hours ‘learning time’; it is better that they get one or two hours quality time than longer laboured periods of working on their Home Support packs with diminishing enthusiasm. Learning should include a range of activities and should not be limited to the Support Packs; other important activities include:

BBC Bitesize – a wide range of activities across the curriculum, also on Twitter

RTE2’s Learning hub from 11.00am each morning

LibrariesNI – free access to the biggest range of books for all ages

Learning at home – learning through normal home activities such as measuring during baking, life cycles while helping in the garden, some physical activity every day.

Other information and optional learning activities are available from a wide range of sources:

KS2 money: <https://www.bankofirelanduk.com/personal/what-is-youth-financial-wellbeing/>

Computing: <https://www.barefootcomputing.org/homelearning>

Spellings: <https://www.sirlinalot.org/spellathome/>

School website – additional tasks and advice will be available in the Home Learning section of the school website www.stfrancisagherg.com

Additional Home Support packs for Primary 6 & 7 will be available for collection from the school from 10.00am until 12 noon on Friday 24th April. Please email dmcnally516@c2kni.net if you have difficulty collecting these packs. Social distancing measures will be in place on Friday.

If you are having any difficulties or need further explanation of your child’s work, please email me at dmcnally516@c2kni.net and your email will be forwarded to the relevant teacher.
